JUNE 1979 NO. OF PERSONS ESTIMATED! ESTIMATED<sup>†</sup> DAMAGE NO OF TIME - LOCAL STANDARD TIME - LOCAL STANDARD WIDTH OF PAT (YARDS) WIDTH OF PAT (YARDS) CHARACTER CHARACTER LENGTH OF 1 (MILES) LENGTH OF 1 PLACE PLACE PROPERTY PROPERTY STORM NJURED INJURED STORM KILLED KILED CROPS DATE CROPS TEXAS SOUTH DAKOTA (continued) NORTHERN Hail Beadle County 24 | 7:00 PM 2 1 6 Flash Flood Bell County 1 Afternoor Hail of golf hall to tennis ball size covered inches, causing considerable damage to crops. Rains of 4 to 5 inches from a series of heavy thunderstorms resulted in flash flooding in the Tample, Belton, and Salado areas. Mrs. Margot Rebovich and her son, Joe, were drowned when their car was Iswept off of a low water bridge which crosses Smith Creek rear Salado. The Rebovich's, who were swept several hundred yards downstream, apparently attempted to cross the flooded tridge about 3 p.m. It is theorized that low visibilities from continuing heavy rain obscured their vision of the 06 Todd County Flash Flood Heavy rains fell over the Hosebud Indian Reservation area causing two earthen dams to burst and a third to weaken. 05 Butte County C | Hail, Damaging Wind Winds of turned velocity fore through Hoover area damaging buildings and crops In Temple, a 54 year old man received miner injuries and narrowly escaped death when his can was swept off of a read over flooded Pepper's Creek. The force of the current stripped the man of everything except his shirt. Road damages were heavy in Bell County with some business and residential damage lalso occurring. Most of the high water receded shortly after dark TENNESSEE Estill Springs, Franklin County 10:00 p. 5 Windstorm High winds lasting I to 10 minutes did extensive demage to property in Estill Springs in northern Franklin County. Resides extensive demage to trees, 35 homes, 8 outbuildings, and 6 mobile homes were demaged, and one mobile home was destroyed. 0 0 ? Flash Flood ? Shelby County Rainfall amounts of over \$ inches produced extensive flash flooding in rural areas of southwestern Shelby County. Road damage was common in the flooded areas. Northern Knox County 2 Windstorm 8:00 p. Nacogdoches area, Nacogdoches County 0 0 Flash Flood and Flash flooding was extensive arross the chunty as over 5 inches of rain fell for the second time within 3 days. Most of the precipitation fell between 3 p.m. on the 1st and 12:30 p.m. on the 2nd. The resulting flood was described as being worse than the 100-year 1975 flood. Flash flooding was particularly severe in the northeast and western pertions of Nacogdoches, along Lahma Bayou and Egnita Cieck. I At least 400 people were evacuated from their homes and 10 businesses received significant damage. Dollar damage to private property was estimated at 3 million, with an additional 2 million in damage to city property and \$1 million damage to county property. Heavy damage to county roads and bridges was reported north and south of Nacogdoches. Fortunately no deaths or injuries were reported. 10:00 p. Tree and powdr linds were downed, three mobile homes were destroyed, and two dther mobile homes damaged when high winds and heavy rains swept across the northern sections of Knox County. Two phildren were trived when one of the mobile homes in the Rutladge Pike Mobile Home Subdivision was overturned. Lawrence County 0 1 0 4 Lightning struck the Delbert Wiley residence on screenice Bend Road on Thursday morning, setting the house on fire. The fire did considerable damage to the front part of the house. Johnson City, Washington County 22 4:00 a. 5 0 Flash flooding 0 0 Take Stamford area, 7:00 p 4 0 0 Flash Flood 8:00 a. Approximately 2 inches of vain fell in about 4 hours over Johnson City causing donsiderable damage to businesses and residences. At least two dozen residents were evacuated from their homes and scores of others were picked up from weiniches inmedated by flooding streams. The Big Velley Trailer Court on Knob Creek was the location of most of the evacuations but Boones Creek, Carroll Creek, and Brush Creek were also flooding. Plooding retarted early morning traffic problems as several streets and highways were under water. Thurderstorm rains of 3 to 5 inches produced flash flooding along Paint Greek and around Lake Stamford. The extent of damage was not known. Copperas Cove and Nolanville, Bell County 5 0 ! O ? Flash Flood Heavy rains resulted in minor flash flooding in Copperas Cove and near Nolamville. Several toads were reportedly under water when area creeks left their banks. 5:25 a-6:05 a Joshua area. Flash Flood 0 0 4 0 Lightning Jonesboro, Washington County Johnson County Lightning struck a 100-year-old Jonesboro farm house during an electrical storm. A fire began in the upper portion of the house, but due to flopding from helvy rains in the area, firemen were hampered in repching the fire. The House, considered a county landmark, was a total loss. Highway 74 and several other reads were closed by flash flooding Southeast Tarrant County 5 0 Flash Flood The flash flood onslaught on North Texas continued as slow-moving thunderstorms caused flash flooding in several portions of southeast Tarrant Gounty. I Over 4.5 inches of rain forced Chambers Creek out of its banks, resulting in at least 10 flooded homes along Christie Avenue in inverman. Flash flooding also occurred in the Forest Hill Meadowbrook, and Dumbar areas of Fort Worth. In Arlington, overflow from Rush Creek flooded homes on Firewood Drive, Hedgeway Street, Ridge Irive, Smouldering Wood Drive, and Woodland Park Drive. 30 12-30 a 1 2 700 2 1 Free Will Community, Jackson County 4 3 Tornado A tornado touched down briefly in the Seven Knobe area, near the Free Will Community in Jackson Gounty, about 7 miles south-southeast of Gainesboro. The tornado completely destroyed one mobile home killing two occupants (father and son) and injuring the chird occupant. All were believed as leep at the time of the tornado. The bestruction, deaths, and injured were not discovered until 5:30 a. CST. The occupants of the mobile home whre thrown several hundred feet firom where the home had been ditting. Trees and power lines were also knocked down.

30 a. 0 Lightning 7:30 a 0 0 Mount Pleasant, Titus County 4 0 Rainstorm A dwwmpour of over 2 inches of rain in 30 minutes caused the common roof over a drug store and a department store to collapse. No bne was injured but extensive damage occurred within the two stokes. Lensir City, Loudon County Lightning was responsible for starting fires in two homes in Lenoir City, One home was completely destroyed, and a second suffered minor damage. Wichita Falls, Wichita County Flash Flood Heavy rains began shortly after sumrise with flash flooding beginning along Holliday (reek about 7:45 a.m. Intermittant rain during the day increased the problem with McGrath and East Plumb Creeks also going out off their banks; Rufus Arteberry, 16. drowned when a boat he was riding in capsized in a drainage ditth. About 200 families were forred to leave their homes. Watrr damage was reported in between 50 and 100 homes with up to 1 feet of water entering some of the houses. The 5 inch rainfall was also responsible for a number of flooded automobiles and several washed out bridges | Flood waters began to recede after sunset!
